

WELCOME HOME

A Family Guide to The Favor Lab Homeschool Community

Where Creators Belong • Explore • Create • Grow

**Helping homeschool families build creativity, confidence, and community through
meaningful learning experiences.**

Fall 2026 Creative Season

Norcross, Georgia

OUR PROMISE

At The Favor Lab Homeschool Community, we promise to provide a safe, welcoming community where every Creator is encouraged to explore, imagine, create, and grow.

We celebrate progress over perfection, relationships over competition, and creativity as a pathway to lifelong learning.

We believe every Creator has a story worth telling. Through creativity, exploration, and meaningful relationships, we help each Creator discover their unique gifts, celebrate their growth, and build a Creator portfolio that reflects not only what they created—but who they are becoming.

Where Every Creator Belongs

“Every Creator deserves a place where they belong before they’re expected to perform.”

Welcome Home

A Letter from Trneice King

Dear Families,

Welcome to The Favor Lab Homeschool Community.

Whether you're just beginning your homeschool journey or you've been homeschooling for years, I am truly honored that you're here.

As both a certified educator and a homeschooling parent, I know that every family has a unique story. Some families homeschool because it provides flexibility. Others want a different educational experience, more time together, or a learning environment where their children can truly thrive. No matter what brought you here, *I hope you'll find more than a program—you'll find a community.*

The Favor Lab was created from a simple belief: children learn best when they feel safe, valued, encouraged, and inspired.

Here, creativity is more than art projects. It's problem-solving, collaboration, imagination, confidence, and discovering the unique gifts that every Creator has been given.

My hope is that every child who walks through our doors feels seen, celebrated, and challenged to grow—not only as a learner, but as a kind friend, a confident thinker, and a creative leader.

I also hope that every parent feels supported. Homeschooling is a journey that wasn't meant to be traveled alone, and my vision is for The Favor Lab to become a place where families build lasting friendships, encourage one another, and celebrate each Creator's growth together.

Thank you for trusting us to be a small part of your homeschool journey.

I can't wait to welcome your family.

With gratitude,

Founder & Community Director

The Favor Lab Homeschool Community

Our Mission, Vision, & Core Values

Our Mission

To cultivate a welcoming homeschool community where Creators **belong, build** meaningful friendships, **discover** their unique gifts, and **grow** through creativity, hands-on learning, and enriching experiences.

Our Vision

To become a place where homeschool families find more than enrichment classes—they find community, confidence, creativity, and lifelong connections. We envision every Creator leaving The Favor Lab with a portfolio of growth, cherished friendships, and a love for learning that extends beyond our walls.

Our Core Values

Belonging

Everyone has a Place.

Every creator deserves to feel welcomed, valued, and accepted before they're expected to perform.

Creativity

Imagine Boldly.

We encourage imagination, curiosity, problem-solving, and creative expression in everything we do.

Community

Grow Together.

Strong friendships, supportive families, and meaningful relationships are at the heart of our community.

Growth

Progress over Perfection.

We celebrate progress over perfection and recognize every step of growth, big or small.

Character

Lead with Kindness.

We nurture kindness, respect, responsibility, gratitude, and leadership through everyday interactions.

The Creator Experience

Community Circle

Every day begins with **connection, conversation**, and setting the tone for a meaningful day together.

Creative Learning

Hands-on projects, exploration, collaboration, and creative thinking across every experience.

Choice & Connection

Creators have opportunities to explore interests, **build friendships**, and enjoy unstructured social time.

Creator Portfolios

Each Creator **documents their growth**, celebrates accomplishments, and chooses meaningful work to preserve throughout the Creative Season.

Community Coins

Acts of kindness, leadership, encouragement, and **positive character** are celebrated through our unique community recognition system.

Parent Lounge

Parents are always welcome to stay, connect, work remotely, or enjoy coffee. or work remotely while their Creators participate.

Friday Adventures

Each Friday brings something new—from field trips and sensory experiences to Creator Showcases and community celebrations.

The Creator Experience isn't built around worksheets—it's built around relationships, creativity, confidence, and community.

The Rhythm of Our Day

Every day is intentionally designed to balance creativity, connection, exploration, growth and meaningful relationships.

Arrival & Community Circle

Warm welcomes, conversation, announcements, and activities that help every Creator feel seen and connected before learning begins.

Creative Learning

Hands-on projects, collaborative challenges, STEAM activities, entrepreneurship, life skills, creative writing, art, and more throughout the Creative Season. Every experience is designed to inspire curiosity and build confidence through creativity.

Community Time

Intentional unstructured time gives Creators the opportunity to build friendships, collaborate, play and simply enjoy being together. We believe authentic relationships are an essential part of learning.

Choice Time

Creative stations, independent projects, reading, building, or collaborative activities based on their interests.

Reflection & Portfolio

Creators reflect on their day, celebrate accomplishments, and add meaningful work to their Creator Portfolio and recognize how they've grown.

"We don't rush childhood—we create space for curiosity, creativity, and connection."

Our Creative Seasons

Two Seasons. Endless Creativity.

The Favor Lab is organized into two 15-week Creative Seasons, giving families the flexibility to join in the fall, spring, or both. Each season offers new themes, fresh projects, and opportunities to grow.

Fall Creative Season 15 Weeks | August – December

Focus

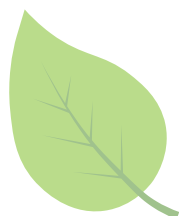

Building friendships and community
Discovering individual strengths
Beginning the Creator Portfolio journey
Hands-on creative learning
Creator Celebration Showcase

Spring Creative Season 15 Weeks | January – May

Focus

Building on confidence
Leadership opportunities
Advanced creative projects
Portfolio completion
Growth Celebration

Summer at The Favor Lab 4 Weeks of Creative Camps

Each summer features four themed weeks of creative camps filled with hands-on learning, friendship, exploration, and memorable experiences.

Choose Your Creative Path

Every family's homeschool journey is unique. Whether your Creator joins us one day or two days each week, they'll become part of a welcoming community where creativity and friendships flourish.

Elementary Creators

Pre-K (Potty Trained) – 5th Grade

A welcoming creative community where elementary Creators build friendships, confidence, curiosity, and foundational life skills through hands-on experiences.

Two Day

Wednesday Creator Studio

Middle & High Creators may extend their Wednesday experience from 2:00–3:00 PM for collaborative projects, entrepreneurship, creative studio time, and leadership opportunities.

Included for Founding Families. Available as an optional add-on for future members.

What Families Can Expect

A Welcoming Community

Every Creator is known by name and encouraged to build meaningful friendships.

Consistent Communication

Parents receive regular updates, photos when permitted, reminders, and important announcements throughout each Creative Season.

Parent Connection Lounge

Parents are welcome to stay, work remotely, connect with other families, or enjoy coffee while their Creator participates.

Family Celebrations

Families are invited to Creative Showcases, celebrations, and special community events throughout each Creative Season.

Meaningful Growth

Creators leave each season with more than completed projects. They leave with greater confidence, meaningful friendships, cherished memories, and a Creator Portfolio that tells the story of their growth.

Families are not simply enrolling in a program--they are joining a community.

How to Join the Community

1. Choose Your Membership

Select one or two days per week based on your Creator's grade-level group.

2. Complete Digital Registration

Submit parent, Creator, emergency, medical, pickup, permission, and agreement information online.

3. Pay the Annual Registration Fee

\$75 per Creator, per school year

This includes:

- Official Creator T-shirt
- Creator Journal
- Creator Bin
- Portfolio materials
- Name badge
- Welcome materials and administrative setup

4. Review Tuition & Payment Options

Current tuition rates, due dates, and available payment options will be provided during registration.

5. Attend Family Orientation

Meet the community, tour the space, review important procedures, and receive your Creator's welcome materials.

6. Get Ready to Create

Families receive the Creative Season calendar, first-day information, and communication details before the program begins.

Your family's Creative Season begins with one simple step: Enrollment.

Enroll Now

Dear Creator,

Welcome to The Favor Lab.

This is a place where your ideas matter, your creativity is celebrated, and you are encouraged to be fully yourself.

Here, you will explore new interests, make new friends, try new things, and discover talents you may not even know you have yet.

You do not have to be perfect.

You only have to be willing to imagine, create, grow, and be kind.

Throughout this Creative Season, you will build projects, memories, friendships, and a Creator Portfolio that tells the story of your journey.

We are excited to see what you will create and who you will become along the way.

You belong here.

With love,

The Favor Lab Team
